Adding the Page Layout and Inserting a Title Block

1. Pick the New Layout button or type LAYOUT.

2. Configure the **New Page Layout dialog** with the following:

Name: Window Details Paper Unit: Inches Width: 17 Height: 11 Printer: Any printer that can do 11x17 or None. Detail Count: 0

Ś	New Pa	ge Layout 🛛 🗙			
	Name:	Window Details			
	-Paper Siz	e			
	Width:	17.0 inches 💌			
	Height:	11.0 inches			
	Deintern				
	Printer:	HP LaserJet 8100 Series PCL 6			
	Size:	11x17			
		○ Portrait			
Initial Detail Count: 0					
		OK Cancel			

3. Type **Insert**. From the **Insert dialog**, browse to the location of these training files and pick **Title.dwg**. Click the **Open button**.
